Milton Keynes Sunday 23rd May

Despite the tropical weather outside 162 racers did battle on the indoor slope. Never easy to ski for some as the surface cuts up quickly, but still some respectable times were posted.

Fastest of the day was Matthew Thompson at 12.80, maybe no surprise that he was a Hemel racer or that Hemel and SMK won most of the medals. There were notable exceptions CH2 Polly Shailes JN1 Nia Jenkins & Shaun Blyth and of course Kwami the Leopard Man.

Not only did we have Ghana's very own Kwami but we were also treated to one of our hottest young talents forerunning.

T J Baldwin GB's No.1 trail blazed the way, despite the best efforts by an official to get in the way on one of his runs!

To all those young, low down the ranks, aspiring racers reading this, just remember that T.J. started Dry Slope racing and who knows maybe one day you to could be that good!

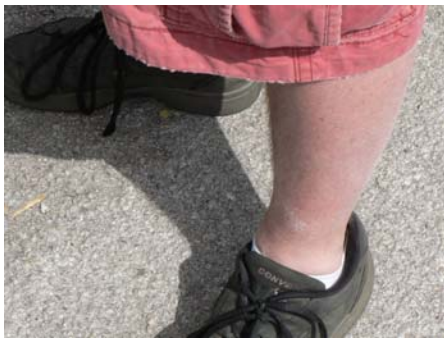

I think many would like to thank all the organisers and officials for their tireless efforts leading up to and on the day. It is always worth remembering that officials at the events are volunteers and without them there would be no race.

Well I never, Bernie does own some trousers! Oh no, wait a minute they're Craigs!!

Mission Control

Just in case anyone hasn't seen the lobster legs hiding under those salopettes
